Zac Forever Young -feedback-2026-10-21-12_46_12

COMMENT NUMBER	TIME	NAME	UPVOTES	COMMENT
1	Fri Mar 22 2024 10:48 PM GMT+11	Mary Jo P	0	These animals and scenes are marvelous! Stunning. The rap and social media stuff yikes. For me anyway. His story is heart full
2	Sat Mar 23 2024 3:24 AM GMT+11	Marla M	0	We need more movies like this very inspiring
3	Sat Mar 23 2024 8:05 AM GMT+11	Tyler M	0	I thought this was interesting and a good quality production. I'm not sure if it's a perfect fit for Angel, but I would definitely be interested in seeing more.
4	Sat Mar 23 2024 12:09 PM GMT+11	Mark P	0	Stunning cinematography. Compelling story. 🙏🙏
5	Sat Mar 23 2024 3:20 PM GMT+11	Theresa V	1	I thought it did not give the audience enough of an understanding of what the big deal was about Zac. It left me confused and I wasn't clear on if I really wanted more.
6	Sat Mar 23 2024 4:03 PM GMT+11	Janet H	0	Sounds interesting
7	Sat Mar 23 2024 5:09 PM GMT+11	Joey D	0	We've had enough shows about people in shark attacks.
8	Sun Mar 24 2024 7:24 AM GMT+11	Jamie D. T	0	Such an inspiring story, looking forward to seeing it fully.
9	Sun Mar 24 2024 7:42 AM GMT+11	Nakeesha V	0	I like that this documentary feels fun, and done in a fresh way that speaks to a younger crowd. I think it's a great story that I want to share with others
10	Sun Mar 24 2024 7:49 AM GMT+11	James C	0	DEFINITELY want to know what his last year was like!
11	Sun Mar 24 2024 8:19 AM GMT+11	Karen F	0	The trailer makes you want to know more about Zach and his life....how he touched peoples lives while alive and, of course, the supernatural part of it.....
12	Sun Mar 24 2024 8:27 AM GMT+11	Kristan G	0	I like the point of view of the narrator. And it's a great set up with the tease on this piece. Look forward to seeing the full length documentary!
13	Sun Mar 24 2024 8:27 AM GMT+11	Travis S	0	Maybe cut to the chase earlier. Or tease the point.
14	Sun Mar 24 2024 9:13 AM GMT+11	John M	0	A bit confusing where this is going. A guy tells everyone he knows he's going die soon, and then he does. Backtrack over his life, sad 'cause he was a great kid and a committed Christian, but should have led with the end about helping people in recovery first, I think.
15	Sun Mar 24 2024 11:35 AM GMT+11	Chris V	0	I don't feel like this clip clued me in to what was so cool about Zac. They kept saying, "I couldn't believe it" but it was not clear what they couldn't believe. But I'm interested to find out!
16	Sun Mar 24 2024 11:42 AM GMT+11	Jay P	0	Wow, very nice story.
17	Sun Mar 24 2024 11:48 AM GMT+11	Kathy M	0	I think this would be better as a movie rather than a documentary. Something like the Jesus Revolution movie. All the best.
18	Sun Mar 24 2024 12:28 PM GMT+11	Cassandra B	1	Skip the narration and simply show what happened with Zac's life and death, non chronologically, if idesired. Or chronologically. Leave out ANYTHING that is not 100% vital for the story. Don't waist one minute. How do horses relate to Zac? You have Exceptional photography. This could be a great story and film.
19	Sun Mar 24 2024 2:07 PM GMT+11	Jordan G	0	Beautiful filming, and a lovely way to honor Zac!
20	Mon Mar 25 2024 4:50 AM GMT+11	Rachael R	0	Imagery was phenomenal. Left me wanting to hear more about Zac.
21	Mon Mar 25 2024 5:18 AM GMT+11	Tommy Toogie H	0	The best well done short of the majority. Use this example for other Guild applicants to follow.
22	Mon Mar 25 2024 7:17 AM GMT+11	Jo B	0	Great way to honor this young believer/evangelist and to make viewers think about death, Jesus and decisions. At the same time, I'm not too sure how widely it will be watched outside of his then circle of friends & townspeople. Also wondering whether Zac was the kind of guy who'd have wanted to be the subject of a project as big as this - perhaps his closest friends and his father might have a bit of insight on this, but it remains difficult to know ...
23	Mon Mar 25 2024 8:15 AM GMT+11	allan h	0	This would make a good movie

24	Mon Mar 25 2024 8:23 AM GMT+11	Patricia G	0	I am a believer plus testifies the truthfulness of Having a loving Father in Heaven and our future is in His Hands and through Zac was able to assist those that don't know what Gods true plan of happiness is and is faith moving there is more then death here in mortality. Jesus in Gethsemane and on the cross brings this from a story to a reality asks true we move onto next level also in spirituality. Our body is our transportation for mortality and reunites through being resurrected as the Saviour. Zac was given the privilege to amplify its truthfulness . Making this documentary can also be the vehicle to emphasize God loved us so much He sent His son to prepare a way home from which we originated and in scriptures the earth will become celestial all light and love. Thank you off to a wonderful start..Patricia
25	Mon Mar 25 2024 9:26 AM GMT+11	Shawn C	2	This is one of the better torches regarding cinematography, editing and style. A question not fully addressed in the torch was how did Zac's life and story "practically" change people's lives and the city — besides feeling love and seeing beauty. The description says there was salvation and changed lives. It would be good to see that. Also, it would be good to see his impact while he was alive, besides being a truly cool kid.
26	Mon Mar 25 2024 10:54 AM GMT+11	Liliana Y	0	Nicely done.
27	Mon Mar 25 2024 11:45 AM GMT+11	Kathy R	0	Wow!
28	Mon Mar 25 2024 12:12 PM GMT+11	Byron L	0	I think it would be a powerfull movie.
29	Mon Mar 25 2024 12:54 PM GMT+11	Drew R	1	I would like to see how he lived before he was saved. Then how is legacy lives on.
30	Mon Mar 25 2024 1:57 PM GMT+11	Donna G	1	I don't know if the story is about Zac and his journey or if it's about his friends and how their relationship impacted them. I think the story is a bit disordered - we learn quickly that Zac died young and he felt like he didn't have long to live before his shark attack. It is both odd and dark that he as such a young person would say he didn't want to get married because he didn't want to abandon his spouse. It is hard to be inspired by such a dark thought and we don't know enough about him or context to make sense of this remark or feel his loss along with his friends and family. Perhaps if we knew more about him when he was alive we could relate to his friends better or understand his belief that he would not be alive for long. Or, if the story is about his impact on his friends then we need to know the backstory on his friends so that we can appreciate the impact he made in them.
31	Mon Mar 25 2024 2:34 PM GMT+11	Devin D	0	What revolution for Jesus did he lead??
32	Mon Mar 25 2024 4:21 PM GMT+11	Perry P	0	Bring in more scriptures
33	Mon Mar 25 2024 4:32 PM GMT+11	--	0	Tell the story; it's ok if you don't understand
34	Mon Mar 25 2024 7:15 PM GMT+11	Monica O	0	Beautiful
35	Tue Mar 26 2024 12:16 AM GMT+11	Mark W	0	This makes me want to see more.
36	Tue Mar 26 2024 5:10 AM GMT+11	Gregory M	0	Sounds like a beautiful story and for me very believable. With some of the jumping around it was not clear what was Zack before and after conversion. I hope that is made clear in the full documentary.
37	Tue Mar 26 2024 7:11 AM GMT+11	Vicky H	0	I have to see this whole story of Zac. I felt the Holy Spirit touch me as I watched this.
38	Wed Mar 27 2024 2:09 PM GMT+11	Janisse V	1	🔥 inspiration documentary
39	Wed Mar 27 2024 4:18 PM GMT+11	Linda M	0	Beautifully photographed and compelling story
40	Wed Mar 27 2024 6:07 PM GMT+11	Courtney L	2	Now we're talking!
41	Fri Mar 29 2024 3:21 PM GMT+11	Lisa A	2	this is an important stiry that should be told
42	Fri Mar 29 2024 4:26 PM GMT+11	Hudson W	2	Amazing story that must be told.
43	Sat Mar 30 2024 12:45 PM GMT+11	Edward C	0	I'm planning it hard to say anything negative all of these ideas that I've been reviewing of all been very good I think it's hard too that I'm new here and I think also, there's an element to creativity into innovative, thinking that requires maybe a single person who is the genesis of one of these ideas to believe in it enough to move it forward and those that will enjoy it and will follow because sometimes one person in the room is right so it's I'll give you my input but it doesn't really count for that much. I think other than maybe swing someone's thinking about the project and what they want to
44	Sun Mar 31 2024 1:17 AM GMT+11	Jennifer W	0	It seems well done, but kind of niche.
45	Sun Mar 31 2024 6:46 AM GMT+11	Dr Paula M	0	Very impactful and engaging documentary. It speaks to the transformative nature of God in us regardless of age, our past experiences or ethnicity. We all are His and are made in His image. I hope this encourages self reflection in viewers and inspire them to seek their purpose.
46	Sun Mar 31 2024 10:49 AM GMT+11	Kirk P	0	well done Geoff.
47	Sun Mar 31 2024 12:52 PM GMT+11	Teena S	0	Documentaries about faith and experiences through faith are powerful. They need to be shared so the light of God spreads.
48	Mon Apr 1 2024 9:42 AM GMT+11	Jutta H	0	Very touching
49	Tue Apr 2 2024 12:53 AM GMT+11	Todd K	0	This is too derivative of a previous ANGEL film. Sorry.

2	Fri Apr 18 2025 6:13 AM GMT+10	Richard V	5	Impacting story
3	Fri Apr 18 2025 7:20 AM GMT+10	Harley and Tara M	9	Really good start and honor to his memory and how he lived and spoke
4	Fri Apr 18 2025 8:52 AM GMT+10	Geraldine D	0	More than the movies not enough to keep it watching until iù%
5	Fri Apr 18 2025 9:18 AM GMT+10	Carolyn D	25	Wow! We should all live so purposefully as Zac did. I can't wait to see the rest of His (the Lord's) story through this devoted young man. "If we live, we live to the Lord; and if we die, we die to the Lord. So, whether we live or die, we belong to the Lord." Romans 14:8
6	Fri Apr 18 2025 12:41 PM GMT+10	David V	8	Another testimonial torch. Angel needs a separate category for these, not usually astudios project.
7	Fri Apr 18 2025 10:19 PM GMT+10	Deborah S	35	I like the way the documentary has been woven together, weaving between interviews, footage of Zac and imagery of the horse, it's very creative and well put together. I think this will minister to a lot of people and would be an excellent addition to Angel 🥰❤️🙏 %
Reply to 7	Fri Apr 25 2025 2:29 PM GMT+10	Leah K		I agree. It's a very inspirational documentary. It lays the truth put in front of you that it takes many a lifetime to acknowledge, accept, know, and then believe.
Reply to 7	Fri Apr 25 2025 2:34 PM GMT+10	Leah K		It is all about love, light, faith, and hope. What we put out does affect the world we live in, the future, and those around us. Material items won't be leaving the physical world when we do. It's the souls of others and their spirit that we should be protecting, growing, and cherishing as well as our own. What others do to you isn't personal but a result of their trauma, hurt, inability to be honest with themselves, and shows that they just need more growth. They need to elevate.
Reply to 7	Fri Apr 25 2025 2:35 PM GMT+10	Leah K		When you realize all this it brings you peace and relief like no other. When you use logic and reasoning without giving into insecurity or acting on negative emotions, you allow yourself to see things more clearly.

Reply to 7	Fri Apr 25 2025 2:40 PM GMT+10	Leah K		That is what I call "The Truth." For this reason, I really think this was an important film as it amplifies enough light to reveal "The Truth" to others who can then bring light to others. I really don't understand why people would vote it down unless they didn't watch it long enough to grasp the concept.
8	Sat Apr 19 2025 1:49 AM GMT+10	Katie M	7	I'm confused at what the "supernatural" thing here is. I think you would need to actually say what it is for us to okay this.
Reply to 8	Tue Apr 22 2025 6:46 PM GMT+10	Tiffany B		I think those that don't truly know God and haven't seen how amazing He is and how He can show Himself through others would call the things they see "supernatural". But, from what I saw, and the fact that a few literally mentioned God and God's presence in this short clip, I feel later in the full length version we would see how God used Zac and in his death to minister to those he left behind. I think the term "supernatural" is just an early term used by some earlier in the documentary.
Reply to 8	Wed Apr 23 2025 8:44 AM GMT+10	Katie M		He sounds like a wonderful young man whom God actively prepared for his kingdom.
Reply to 8	Wed Apr 23 2025 8:47 AM GMT+10	Katie M		Whoops...hit enter too soon. I would be unapologetically Christian with this. While supernatural may attract those who aren't Christian, it may deter those who are believers. Miraculous would be a better choice (in my opinion) that would appease both sides of the aisle. I'll bet if you submitted with that you'd have a better chance.
Reply to 8	Wed Apr 23 2025 10:54 AM GMT+10	Tracey M		Supernatural here = Holy Spirit
Reply to 8	Mon Apr 21 2025 9:04 AM GMT+10	Mom c		I agree I have no idea what is happening in this beside something supernatural. Which could very easily be implied ghosts or idk but definitely not God
9	Sat Apr 19 2025 4:58 AM GMT+10	Martha G	13	This will be an amazing documentary Tribute to Faith and God's Reality! I can't wait to see it!
10	Sat Apr 19 2025 6:06 AM GMT+10	Paul B	27	I am interested in finding out a lot more of the story of what happening.
11	Sat Apr 19 2025 7:09 AM GMT+10	Cheryl V	5	This is a wonderful project with a message that needs to be heard by young people. I would like to see it fully developed as a film. One note, some of the commas were had to understand, just a thought on that. Otherwise, well done.
Reply to 11	Wed Apr 23 2025 11:31 AM GMT+10	Cheryl V		Apology, I meant "comments." Most speakers comments were easy to follow, but just a couple times the speaker was hard to understand. No biggie if no one else mentioned it.
12	Sat Apr 19 2025 7:53 AM GMT+10	Christy D	4	It has potential. I'd like to see the full production...
13	Sat Apr 19 2025 8:58 AM GMT+10	Rick S	0	I can't wait to watch this film. We will all face death at some point but we do not want to experience it. We don't want to embrace it. We fear it.
14	Sat Apr 19 2025 9:01 AM GMT+10	Angela B	1	Hopefully with more detailed info
15	Sat Apr 19 2025 9:35 AM GMT+10	Sandy D	4	Very interesting. I believe if your heart is right with the LORD - Zac could have heard directly from his Lord. He shared God's love. That was evident
16	Sat Apr 19 2025 10:59 AM GMT+10	Jane L	5	Very engaging and curious subject. Elijah knew he was going to heaven, before he was taken up in a whirlwind. Enoch didn't die, yet he was taken up. Maybe, God does let people know. God gave King Hezekiah 15 more years, after God told him he was going to die. Hezekiah cried bitterly, and God allowed him to live. We don't have any idea of all the things that go on between God and others. But we know enough from the Bible to know God's love. 🙏
17	Sat Apr 19 2025 11:24 AM GMT+10	Jimmy S	3	Wonderful film, look forward to seeing the rest of his story.
18	Sat Apr 19 2025 12:18 PM GMT+10	Cindy A	1	What a bundle of joy and light Zach was. Would like to hear more about his story.It was hard to read with white print over ocean with clouds. Was interested but could not read.
Reply to 18	Sun Apr 20 2025 9:08 PM GMT+10	Jeanne W		I agree, difficult to read
19	Sat Apr 19 2025 12:35 PM GMT+10	Mark B	3	I still have no idea what supernatural thing happened after his death.
20	Sat Apr 19 2025 3:20 PM GMT+10	The M	4	It moves slow and I don't understand what was going on Who was running and jumping in the water? What does that have to do with a horse on a beach? Who are the people talking, friends, family? Probably an interesting story, just a bit challenging to follow for someone unfamiliar with this person.
21	Sat Apr 19 2025 7:22 PM GMT+10	Wellness M	3	This looks like a powerful story that needs to be told. I can't wait for it to air! Thank you for sharing Zac's story!
22	Sat Apr 19 2025 11:41 PM GMT+10	Pamela H	1	In my opinion, I don't see the significance of the story. How did this experience change the lives of those left behind? This young man had a premonition that he was going to die, so what was the effect on him and those closest to him? Was it preventable? I don't understand the significance of the story. Z
23	Sun Apr 20 2025 1:45 AM GMT+10	Sandy P	0	An interesting story. I appreciate the honesty of the filmmaker who speaks about his skepticism (that reflected my own initial questioning). This documentary highlights God's power and purpose in each of our lives.
24	Sun Apr 20 2025 2:18 AM GMT+10	George G	0	This is done extraordinarily well!
25	Sun Apr 20 2025 2:20 AM GMT+10	Kyle T	4	What's the "supernatural thing" that happened?? This wandered all over the place and seemed to have no point. I'm sure Zac's story is great but from this torch, I didn't get what it was about. It was really slow and never got to the point.
26	Sun Apr 20 2025 3:00 AM GMT+10	Scotty B	0	Beautiful cinematography and engaging storytelling. I'm intrigued to know more about what God has done through Zac's life and death.
27	Sun Apr 20 2025 3:17 AM GMT+10	Deborah S	0	This is pretty awesome!
28	Sun Apr 20 2025 4:22 AM GMT+10	Kimberly N	2	I would definitely want to watch this movie
29	Sun Apr 20 2025 4:39 AM GMT+10	Kenneth S	2	Too disjointed. Video went black on me seemingly 1/2 way through. However, was not holding my interest in way story being Tod.
30	Sun Apr 20 2025 5:27 AM GMT+10	Heidi K	3	Keen to see the impact on the community and how God is glorified in Zac's life.
31	Sun Apr 20 2025 5:43 AM GMT+10	Tammy S	2	Just proves you never know what your impact will be on others,,be kind and spread Gods love. Cant wait to see the whole movie
32	Sun Apr 20 2025 5:44 AM GMT+10	Linda L	1	I need to know more about Zach's faith at the beginning of the story for me to be emotionally invested in him before I find out that he thinks he will die young.
33	Sun Apr 20 2025 6:34 AM GMT+10	Tom M	0	M
34	Sun Apr 20 2025 6:46 AM GMT+10	Trinity C	0	Life lesson- live each day of your life like it is your last.
35	Sun Apr 20 2025 7:56 AM GMT+10	Iori h	2	I thought this was really interesting - I'm so curious where it leads -
36	Sun Apr 20 2025 9:27 AM GMT+10	Lorraine R	0	Beautifully filmed. I'm excited to hear Zac's full story.
37	Sun Apr 20 2025 9:49 AM GMT+10	Jennifer B	0	This reminds me of an experience I had with 'knowing' something before it happened. When the thought popped into my head, it didn't make any sense, and I could only see one way it could play out... but I knew beyond a shadow of a doubt that it was true. If it had played out the way I thought, I wouldn't be here, but it did play out - in an unpredictable way. Learned that truth isn't always what you think it is. Look forward to seeing more of this.

38	Sun Apr 20 2025 10:15 AM GMT+10	Maxine M	3	Seems to be the making of a good story, but we who are critiquing it are really left in the dark as to what it is all about. If it continues on the same track, I can see it developing into a great story especially for young people. There seems to be good examples of living a life for God.
39	Sun Apr 20 2025 10:44 AM GMT+10	Sir Harry B	0	Very inspiring
40	Sun Apr 20 2025 11:30 AM GMT+10	Rayment M	1	Humanity needs to see and hear about more love in this world.
41	Sun Apr 20 2025 11:33 AM GMT+10	Erica B	0	I love this story. It's very sad how Zack died, but knowing that he gave his life to God is fantastic!!! He knew he was going to die somehow, and soon. How he knew that, is just baffling.
42	Sun Apr 20 2025 11:35 AM GMT+10	peter d	1	I'm not sure I've seen enough to evaluate it. It's interesting and has potential, but the segments in the clip seem disjointed and raise more questions than give clarity.
43	Sun Apr 20 2025 11:57 AM GMT+10	Kyle S	3	This is a powerful story. It reflects the fact we must listen to hear our lord speak to us. And we should not fear death, for a path has been paved for us.
44	Sun Apr 20 2025 12:49 PM GMT+10	Wendy Potter P	0	Sounds promising
45	Sun Apr 20 2025 2:00 PM GMT+10	Randy K	3	Quite an interesting story of how God works in mysterious ways. It was almost unbelievable, but is amazingly interesting. God loves us and to hear how He uses this young man's life to bring glory to Him.
46	Sun Apr 20 2025 2:02 PM GMT+10	Lawrence S	4	Pure, Honest, Belief and Faith... my own faith and belief told me almost immediately this story wasn't fake or made up and I'd never heard of Mr. Young or his story before. It's not explainable really, not to someone who's a non believer or perhaps even skeptical...just saying it's a feeling isn't proof or fact, it's a connection between you and God and comes from the Holy Spirit directly souly. His life was short but meant to show glory and honor to our creator, God. I love it. Looking forward
47	Sun Apr 20 2025 5:09 PM GMT+10	Edna J	1	The narrator leaves me with more questions than answers. What were Zac's accomplishments in the community? What made Zac special that a documentary about his life would be made? What was it that brought the community together? So many supporting details are missing.
48	Sun Apr 20 2025 11:12 PM GMT+10	Oscar G	1	So excited to see the full movie
49	Mon Apr 21 2025 12:07 AM GMT+10	Beverly L	0	Wow!
50	Mon Apr 21 2025 2:05 AM GMT+10	Diane R	2	I'm intrigued by this short film about Zac young. When I heard his dad talking and wearing a Jesus hat, I thought it might have real substance. I hope it becomes a full length documentary. Thank you for your hard work so far!

52	Mon Apr 21 2025 5:51 AM GMT+10	LEK E	3	PTL! Amazing story about our true citizenship, not in a temporal place, but rather the eternal Kingdom.
53	Mon Apr 21 2025 7:13 AM GMT+10	Nathan H	4	This is a fantastic story and I believe it needs to be told.
54	Mon Apr 21 2025 8:08 AM GMT+10	Kathy M	3	Such a powerful story of faith and hope. Definitely has piqued my interest.
55	Mon Apr 21 2025 8:23 AM GMT+10	Angela F	3	This is a unique story. I loved the way the beach scenes with the horses were captured, just beautiful. The interviews were well done, light music, and enjoyed the take of the producer and his thoughts. Looking forward to the full movie.
56	Mon Apr 21 2025 8:32 AM GMT+10	Glen C	0	Didn't grab me.
57	Mon Apr 21 2025 9:35 AM GMT+10	Amanda H	0	Seems interesting but not yet understanding why his story is significant. Hints toward it but nor clear
58	Mon Apr 21 2025 10:30 AM GMT+10	Joel P	0	Looks like an overall great story. Seems to be well produced cinematically. The testimonials of people bring it to life further.
59	Mon Apr 21 2025 11:10 AM GMT+10	Frances F	0	This promises to be a phenomenal film. Gorgeous cinematography, skillful editing, powerful story. Kudos on the work thus far!
60	Mon Apr 21 2025 11:49 AM GMT+10	Joseph B	0	This seems like it will be good, but I am having a hard time grasping what his project is or what exactly about his life that brought people to Christ, but it seems intriguing
61	Mon Apr 21 2025 12:28 PM GMT+10	DR T	0	I didn't see enough of his life or the impact thereof portrayed in this preview. His death was heinous and tragic. Long life is not guaranteed to any of us, so this film reminds us of that I guess. The quirky music seems oddly misplaced in the preview. The whole thing left me feeling indifferent.
62	Mon Apr 21 2025 12:42 PM GMT+10	Lori K	0	Looks like a story I'd like to see more of.
63	Mon Apr 21 2025 12:45 PM GMT+10	Rebeka E	0	I don't feel like it needs to be improved the story is familiar to me, I had a friend who told us the same thing that he was going to die young. He did still don't understand how or why it happened but he knew.
64	Mon Apr 21 2025 1:47 PM GMT+10	Lisa S	3	That's all I get to see. Totally interested in this story. I hope it makes it past the guild.
65	Mon Apr 21 2025 3:11 PM GMT+10	Norma C	0	I think it's a great film. You need to finish it and follow your heart. Don't be afraid of what you find faith is.
66	Mon Apr 21 2025 3:43 PM GMT+10	Elaine L	0	Teaser is well made and intriguing. Makes me want to see the movie. Hard to say for sure if it fits the Angel criteria, but so far so good
67	Mon Apr 21 2025 4:37 PM GMT+10	Rick L	0	I always applaud the filmmaker when the short gives endgame information to leave us wanting to know more. I'm not a typical viewer of documentaries, but I want to know more. At first, I was going to bypass this short because there has been a lot about death submitted. If it weren't for the compelling interviewer, I would've. Let's see about these miracles.
68	Mon Apr 21 2025 5:29 PM GMT+10	C N	0	I'd love to see more. It looks very good. Thanks so much.
69	Mon Apr 21 2025 10:27 PM GMT+10	Holly H	0	I can't wait to hear the whole story.
70	Tue Apr 22 2025 1:57 AM GMT+10	Gabrielle B	0	I want to know more
71	Tue Apr 22 2025 2:17 AM GMT+10	Heather S	0	No sure! A little disjointed until I hear the whole story.
72	Tue Apr 22 2025 2:28 AM GMT+10	Staci P	0	Seems interesting, need to know more
73	Tue Apr 22 2025 3:22 AM GMT+10	Wanda B	0	This story really intrigues mrr
74	Tue Apr 22 2025 3:38 AM GMT+10	Sue k	0	I was impressed with him giving his life or death over to God I would like to know more why they were so surprised.
75	Tue Apr 22 2025 7:58 AM GMT+10	Patty S	0	The farther I watched the film, I felt the Holy Spirit say,"yes, this is divine."
76	Tue Apr 22 2025 8:19 AM GMT+10	Debra H	1	I want to learn what Zac did in that city. I want to learn about the movement that his friends are still leading. I want to see the Light that shined so brightly through the life of Zac Young. Please tell his story.
77	Tue Apr 22 2025 8:41 AM GMT+10	G Tomas C	0	Great clip! Nicely done. I've had similar experiences where a young person in my life died, a an amazing life lived on in their memory.
78	Tue Apr 22 2025 12:00 PM GMT+10	Emily M	4	I would be extremely disappointed not to be blessed to see this documentary!!

79	Tue Apr 22 2025 12:28 PM GMT+10	Toby B	2	Sounds very inspiring and faithful promoting in God
80	Tue Apr 22 2025 12:54 PM GMT+10	Tracey H	0	Have not seen it yet
81	Tue Apr 22 2025 1:20 PM GMT+10	Kevin M	0	Not my genre
82	Tue Apr 22 2025 1:21 PM GMT+10	Danielle G	0	THIS LOOKS LIKE A DOCUMENTARY BUT I AM CONFUSED OF WHAT ACTUALLY HAPPENED THAT LEADS ZAC TO CONVERSION IT IS NOT CLEAR ENOUGH!?
83	Tue Apr 22 2025 1:38 PM GMT+10	Jonathan R	0	I'm guessing it will be good,
84	Tue Apr 22 2025 1:57 PM GMT+10	SirJames H L	0	To Witness God's Love and the young man who followed it.
85	Tue Apr 22 2025 4:21 PM GMT+10	Debbie D	0	Looking forward to seeing this.
86	Tue Apr 22 2025 6:01 PM GMT+10	Margaux C	2	I am so excited for this project. I hope it's very soon I get to see the full length version. The interviews were great and the photography stills and visuals were incredible. Fantastic work by everyone involved with this amazing project.
87	Tue Apr 22 2025 6:38 PM GMT+10	Tiffany B	3	First of all, here I was watching, captivated, thoroughly enthralled watching and waiting and POOF...the clip stops! UGH!!! YES, I WANT MORE! I have to see what happened! Not only is this a tragedy BUT, this beautiful young man left behind an overwhelming divine spiritual Godly presence and experience for everyone around him, he also left his story for all of us to experience with them. I really hope this passes!
Reply to 87	Thu Apr 24 2025 2:56 PM GMT+10	Tiffany B		😄 Glad I made you laugh! But in all honesty, that's actually how I felt LOL! I just saw your soooo close to passing! 😞 I'll be definitely praying 🙏 ya'll pass with flying colors the next go round! I kinda feel like maybe other viewers didn't get as "captivated" as I did with this clip portion.🙏 There's a lot of skepticism about "supernatural" being used. Maybe give it a twist and show a different perspective? Just a thought
88	Wed Apr 23 2025 12:21 AM GMT+10	D K	0	It might be really good, but from this clip, I have no idea what is so miraculous or special about him.
89	Wed Apr 23 2025 12:21 AM GMT+10	HandTalker R	0	Connect more in Godly way
90	Wed Apr 23 2025 12:30 AM GMT+10	Douglas K	0	This project appears to offer today's younger generation a window into a larger faith figure is in control of everyone's lives, past the YOLO/FOMO = YouOnlyLiveOnce/FearOfMissingOut modern view of the world. Only item I question is the use of term, "supernatural." The way Zac publicly stated his renewed faith in God, I'm hoping his friends had the chance to quietly discuss his thoughts with them and work past the initial shock of "dying young."
91	Wed Apr 23 2025 1:11 AM GMT+10	Shelly R	0	This is an amazing story
92	Wed Apr 23 2025 5:01 AM GMT+10	Peggy L	0	It is presented in a slow stretching manner.
93	Wed Apr 23 2025 5:16 AM GMT+10	Donna F	0	I have so many questions after watching the clip, and I guess that was the intention. Unfortunately, lots of people die tragically young, I don't see what's unique about Zac's story.
94	Wed Apr 23 2025 10:23 AM GMT+10	Phoebe K	2	Wow, neat story. I can't wait to see what God did in Zac's life. Well choreographed; loved the cameo of Zac and the horse running on the beach.
95	Wed Apr 23 2025 10:47 AM GMT+10	Tracey M	1	Just phenomenal so moved as I walk with Jesus as I face ALS and can't wait to see this made
96	Wed Apr 23 2025 11:09 AM GMT+10	Pamela G	0	The only way to tr
97	Wed Apr 23 2025 12:41 PM GMT+10	Angela O	0	It took too long to get that something "super-natural" happened related to Zac and I still have no clue what happened. I watched to the end to be fair but I honestly wanted to stop 2 minutes into the preview.
98	Wed Apr 23 2025 5:25 PM GMT+10	Adda P	0	I'm definitely hooked. Eager to hear more. I feel the power from the walk of faith this young man had.
99	Wed Apr 23 2025 9:11 PM GMT+10	Jaclyn B	1	Very poignant for me, as I've had two major delays and kept changing my ticket to an El Salvador beach town. I couldn't check in for my flight, so I sat down to decompress for a few min with a guild movie, and the scenes of the shore (horse included) looked exactly like my friend's backyard. I cancelled my ticket and thanked God for his wisdom. Listen to the messages God gives you, and obey Him. Yes, make this movie!
100	Wed Apr 23 2025 9:52 PM GMT+10	Mellanie G	1	It's rare that I am speechless but.....wow! This story MUST be told!
101	Wed Apr 23 2025 10:57 PM GMT+10	Patricia R	0	Look to be a very inspiring story
102	Thu Apr 24 2025 1:16 AM GMT+10	Beverly S	0	Beautiful story. Want to hear the rest!
103	Thu Apr 24 2025 4:14 AM GMT+10	Doreen M	0	I had a hard time following this. After reading the info and watching the clip, I still only grasp that he died and something unbelievable happened after his death. But can't tell if this amplifies light. Personally, I need more info.
104	Thu Apr 24 2025 6:42 AM GMT+10	Nicole A	1	This looks pretty good though I personally am not a fan of documentaries.
105	Thu Apr 24 2025 6:42 AM GMT+10	Gwen B	0	🥰❤️
106	Thu Apr 24 2025 6:47 AM GMT+10	Jenny C	0	Looks promising.
107	Thu Apr 24 2025 7:41 AM GMT+10	Kat W	0	I am very excited to see the whole story!
108	Thu Apr 24 2025 9:59 AM GMT+10	*AVioletMind* S	0	The horse running on the beach and the entire first half of this video had me bored and put off. I was just thinking... Why? And almost turned it off right there. I'm torn on this movie. It's a lovely movie of a young man gone early. But the fact that he knew he was going to die early? He surfed and swam in Australian shark infested waters. It's very sad and he seems like he was a wonderful person. As for it being supernatural? Maybe?
109	Thu Apr 24 2025 10:48 AM GMT+10	Marie Chantal G	0	I want to hear the rest it's like it leaves you wanting more with more I want the story completely I want I want
110	Thu Apr 24 2025 3:12 PM GMT+10	Jacob P	0	I would be interested to see the full thing. What is here so far feels really good. I gave it a lower rating because I don't really know the impact the story is gonna have.
111	Fri Apr 25 2025 12:51 AM GMT+10	Corrine I	0	Documentary
112	Fri Apr 25 2025 1:13 AM GMT+10	Lynsie T	0	This looks like a beautiful faith building story.
113	Fri Apr 25 2025 4:02 AM GMT+10	Olivia B	0	This torch was very confusing to me. It seemed like it was trying to put in too much and it took away from the overall focus. I didn't really like the humor of the documentary film man trying to say how he was figuring it all out. I don't understand much of what really happened, or what his impact was except that he had friends who loved him. I get he knew he was going to leave the earth sooner. I think it needs more focus. The words at the beginning were too fast. Hoping it comes together.
114	Fri Apr 25 2025 7:15 AM GMT+10	Patricia H	0	This looks like it will be a wonderful documentary.
115	Fri Apr 25 2025 7:31 AM GMT+10	Carolyn A	1	Ok you surprised me. For the first half, I thought it was a tribute to a fun, loving guy who would be missed. Now I'm hooked and want to know the rest. You almost lost me with the slow start and slow-mo horse. But I'm glad I hung in there. The beautiful dead body got me because I have witnessed that myself with my dad and he was not a young surfer dude. 🥰🥰
116	Fri Apr 25 2025 10:05 AM GMT+10	Deborah V	0	Beautiful story

117	Fri Apr 25 2025 11:01 AM GMT+10	Cherie B	0	I would LOVE to hear more of Zac's story!
118	Fri Apr 25 2025 11:07 AM GMT+10	Kathy A	0	This needs so much work. I felt like I missed the middle of it since the revolution wasn't explained well at all in my opinion. Just not enough story development.
119	Fri Apr 25 2025 9:25 PM GMT+10	A C	0	Seems very touching and intriguing. The part that made it a 100% yes for me was the director interviewing himself and starting to glimpse eternity. Also hearing about Zac recommitting himself to follow God in whichever way God saw best after he heard. Without having seen the whole film, I have an understanding of Zac, and what it's like for God to talk to you like a friend and tell you some things about your life to come. People think that's weird, but it's not. Thanks for (I hope) showing this.
120	Sat Apr 26 2025 5:39 AM GMT+10	Sarah P	0	Impact of Christ is absolutely everything. If he made an impact on one city, I want to study that. Revival is here
121	Sat Apr 26 2025 6:11 AM GMT+10	Raul V	0	Great documentary style and cinematography! Very inspiring story on a subject most of us shun. The way the director was able to depict the true feelings from Zach's loved ones really comes through and I want to hear more!
122	Sat Apr 26 2025 7:45 AM GMT+10	amy d	0	I'm
